

ITT9131 – Concrete Mathematics

Rules for the midterm recovery

Silvio Capobianco

Revision: 16 November 2016

1. The midterm recovery will take place on Wednesday the 23rd of November in Room B126 (Institute of Cybernetics) from 14:00 to 16:00.

2. Everyone is welcome to the recovery, even if their score from the midterm is sufficient.

For those who do not participate in the recovery, the score from the midterm is kept.

For those who participate in the recovery, and return their assignment, the score from the recovery counts as the score for the midterm.

For those who participate in the recovery, but do not return their assignment, the score from the midterm is kept.

3. The midterm recovery will consist in a series of three or more exercises, for a total of 30 points.

A partially completed exercise will be given a partial score.

4. The score of the midterm recovery will be converted in the standard zero-to-five score following the guidelines in the course assessment criteria:

from 27 to 30	5
from 24 to 26	4
from 21 to 23	3
from 18 to 20	2
from 15 to 17	1
below 15	0

5. Only handwritten notes are allowed.

In particular: books, printouts, or photocopied notes are not allowed.

6. Use of electronic devices is absolutely forbidden.

Before the beginning of the midterm you will be asked to turn off your cell phones and put them on the instructor's desk.

7. It is forbidden to leave the room without having returned the assignment.
